【Implementation of Assistance Activities for Students】

SPK Corporation (hereinafter, “SPK”) became the co-sponsor of “TEAM ISSHIN from the collaborative project with the University of Tokyo and Honda Technical College Kanto to participate in Overseas Historic Rally in 2021” by providing our line of products with the hope that students who will play important roles in the future will know the joy of cars and motor sports and the importance of teamwork and connection with people. SPK will continue to support their activity of working towards goals and dreams.

TEAM ISSHIN

The collaborative project with the University of Tokyo and Honda Technical College Kanto to participate in Overseas Historic Rally in 2021.

*Project for participating in Overseas Historic Rally has been carried out as a part of official lessons at the University of Tokyo and Honda Technical College Kanto. This is now in its 11th year for the University of Tokyo and 6th year for Honda Technical College Kanto.

In this project, students conduct money-raising, procurement of supplies and equipment, vehicle modification, vehicle import and export, arranging overseas accommodations and so on by themselves. It aims for improvement of response capabilities, technological capabilities and management skills under difficult conditions. SPK has sympathy for their intentions and goals, thus we have been supporting their activities for 11 years on from the 1st year of this project by providing sponsored products.
